

Welcome to St Pius X

Edwin Abraham, Chelsey Rediang (Room 1A—Totara) & Heather Rosero (Room 4—Puhutukawa)

Tena koutou katoa. Nga mihi nui kia koutou.

Thank you for your support last week regarding the strike.

The Minister has requested a meeting with the unions today and we are hoping for a positive outcome.

School App: We are in the process of getting another school app. One of the main reasons is its ability to make contact instantly, particularly in an emergency. The app is free to the school as it uses advertisers to meet the cost. More information will come out next week.

Friends of the School: Will be selling Oxford pies as a fundraiser for this term. Keep your eyes open for the order sheets coming out with next weeks newsletter.

Thank you: I want to thank our out-going Board members (parent reps) who have been an amazing support to our school community, Rachel Cotter (9 years), Brett Hayde (6 years), Sharlene Roberts(6 years) and Joan Colina(4 years). They have given a number of years to our school and this consistency has helped us grow and flourish as a school. We are fortunate that we have our proprietors reps and our chairperson staying on I'm sure the new members will value their expertise.

I will introduce the new Board after the first Board meeting on the 26th June.

God Bless

Jane Rutherford

Hamilton Moving Together transport survey

Hamilton City Council wants to learn more about how people get around Hamilton, to help us better plan for and meet the changing transport needs of our growing city. We're asking our community to please complete a short survey that asks eight questions about how people move around the city, views on road safety, and different ways of getting around. Along with general questions about the person taking the survey, it is expected to take less than 10 minutes to complete.

Results from the survey will help in the building of a transport plan for the city which will help decide where and how to invest in transport and public places. Take the survey at <https://haveyoursay.hamilton.govt.nz/city-transportation/hamilton-moving-together-transport-survey/>
